FINANCIAL SERVICES FOCUS: HOT TOPICS IN WAGE & HOUR LAW FOR CALIFORNIA EMPLOYERS

Event

Aug 19, 2025

12:00 pm - 1:00 pm EDT

Join members of the Financial Services industry group for an interactive webinar discussion concerning wage and hour challenges confronting organizations in the financial services industry.

This program, which is tailored to the unique circumstances around wage and hour law in California, will help financial services employers:

- Identify common pay and policy practices that create exposure to wage and hour and California Labor Code Private Attorneys General Act (PAGA) claims, and how to mitigate risks associated with the same.
- Understand the benefits of conducting a thorough wage and hour/PAGA audit, to both optimize compensation practices and reduce exposure to legal claims.
- Adopt a fulsome view of the Fair Labor Standards Act (FLSA) and its interplay with business operations in California.

Attendees will come away with a solid understanding of the wage and hour threats facing financial services organizations in California, and practical measures that should be taken in response.
