

## Partner Discusses Trump's Executive Order on Collegiate Athletics

News  
8.01.25

In an interview with *Bloomberg Law*, **Josh Nadreau** discusses President Trump's July 24 executive order on collegiate athletics, which tasked the DOL with "clarifying the employment status" of scholarship athletes at colleges and universities.

Josh explained that the agency will likely declare student athletes independent contractors, continuing to deny them wage protections and rights as employees.
