MSHA in 2025: A View from the Field

What challenges are operators facing with MSHA (Mine Safety and Health Administration) in 2025? What can they do about it? In this episode, [Chris](#) and [Arthur](#) tackle these questions and more with mine safety consultants DJ Schmutz and Kim Redding from MSHA Safety Services Inc. The group discusses challenges posed by inexperienced inspectors, how operators can best position themselves, and what they hope to see from MSHA going forward in a lively discussion.
