

# Government Relations Partner Discusses Fate of California AI Bill

News  
8.19.25

In an interview with *Bloomberg Law*, **Ben Ebbink** shares his insight on whether a California bill (AB 1018) to combat AI discrimination survives and gets a full vote, amid strong opposition from tech companies. Ben explained that if passed, the state's law would stand as one of the most expansive AI regulatory frameworks in the country, shaping future legislative efforts nationwide.
