

Immigration Partner Discusses E-Verify Amidst Federal Government's Distrust

News
8.27.25

In an interview with *CNN*, **Alexandra LaCombe** shares her insights on E-Verify, a system that employers have relied on to help verify the immigration status of employees. “The system is not 100% foolproof,” said LaCombe. “It doesn’t eliminate all potential fraud and false IDs and things like that, but the employer should be safe in taking the government’s word at its face that the person is authorized to work.”
