

# Chicago Partner Discusses Recent Illinois Decision and Future of Genetic Privacy Suits

News

8.26.25

In an interview with *Law360*, **Danielle Kays** shares her insight on a recent Genetic Information Privacy Act (GIPA) ruling in Illinois and shares how, if at all, it will change the GIPA landscape for employers. She told *Law360* that the “decision undoubtedly emboldens the plaintiffs’ bar, and we can expect to continue to see a rise in GIPA claims. However, numerous defenses remain and will be vetted in the courts as these cases continue.”
