

Did You Know That Fisher Phillips' Pay Equity Practice Group is on the Map

Insights

2.22.18

Fisher Phillips has launched a [Pay Equity Interactive Map](#) available on our website. The map offers a state-by-state synopsis of pay equity laws, regulations and requirements in a user-friendly format. The map is a tool developed by the Pay Equity Practice Group which was formed last year in response to the enactment of robust equal pay legislation in a number of states and a substantial uptick in litigation.
