The *Daily Report*, Atlanta's legal publication, featured the news that the law firm, Elarbee Thompson has joined Fisher Phillips in Georgia. The article highlights Fisher Phillips' recent domestic and international growth and showcases how the expanded team in Atlanta is uniquely positioned to assist clients across the Southeast.

Additionally, Brent Wilson explained that his firm had a "number of opportunities" to join with other firms and had been discussing the possibility with Fisher Phillips for years. "This just gives us a great platform to serve our clients throughout the country and give them a lot of bench strength and to also offer them an incredible number of services that we just did not have the true ability to do as a standalone boutique here in Atlanta."
