We invite you to join us at Terranea Resort in Rancho Palos Verdes, CA, for **Fisher Phillips' fourth annual PeopleLaw Conference**, where we bring together thought leaders in the PEO and staffing industries to discuss common legal challenges and solutions. You will hear from our firm's PEO and Staffing Group lawyers, along with industry association executives, on the latest trends in a series of engaging and interactive sessions. Each session will provide you practical skills you can put to use right away. You'll also have plenty of time to network with your peers to gain invaluable insights and learn from each other.

The People: You will once again be surrounded by thought leaders from all over the country – and the world – learning from and collaborating with them. The networking opportunities are unparalleled.

The Industry Focus: Nowhere else can you get this combination of legal and business content tailored for these industries:

- Professional Employer Organization (PEO)

- Staffing (temp, long-term, freelance, and healthcare)
- Employer of Record (EOR)
- Managed Services Providers (MSP)
- Human Resources Outsourcing (HRO)
- Any industry deploying gig or independent contractor workers
- Business Process Outsourcing (BPO)
- Vendors and other providers servicing these industries

The Content: PeopleLaw combines legal content with leadership and business intelligence. Topics this year will include:

- Technology: You've come to rely on FP thought leaders for guidance on cutting-edge tech topics. This year will be no different.
- Politics: Our annual Political Pulse panel has been the highlight for many attendees, predicting future events with amazing accuracy (and humor). What's next?
- International: Whether you have international operations or not, you need to hear what's happening with Workforce Services in other key countries.
- Litigation: Nuclear verdicts are exploding across the country, and you need to be proactive to avoid becoming the next headline.
- Leadership: We can all do better for ourselves and our organizations – we'll give you some practical lessons to take home with you.

CLE, SHRM and HRCI credits are pending approval.
