As generative AI moves deeper into our workplaces, HR professionals face new questions and new risks that require developing more innovative business practices to offset the significant legal, ethical, and organizational challenges being created by employees.

In this timely session, Sadie Moore and Jeff Smith will explore these emerging risks and what HR leaders need to consider to remain compliant and future-ready. Whether you're already on the cusp of the Generative AI wave or awaiting your first brush with it, Sadie and Jeff will give you the insights you need to chart a course into the future of HR.

The firm is submitting this webinar for HRCI/SHRM credit.
