Event

Oct 15, 2025

1:00 pm - 1:30 pm EDT

California is once again leading the country when it comes to regulation – and now lawmakers have finally come for AI. Join our California Insider, Ben Ebbink, for a must-attend webinar reviewing the new AI laws signed into effect by the Governor. Even if you don't have operations in California, you'll want to stay up to speed because your state lawmakers are no doubt looking at what's happening there and will likely look to pass similar laws soon. Come prepared with your questions – we'll be there with answers!

The firm is submitting this webinar for HRCI/SHRM credit.
