

Mo-Kan Labor and Employment Seminar

Thank you for joining us for our annual labor and employment law seminar. In place of paper materials, we invite you to download a copy of the presentations from today's panels below.

- **What's New, What's Next: Legal Update**

Stay informed on the most recent and upcoming changes in labor and employment law, including legislative trends, court decisions, and regulatory updates that could impact your business.

Presented by: Melody Rayl, Partner

- **Borders and Business: Navigating the Maze of Employment Immigration**

Gain insights on the latest immigration policies, compliance requirements and ICE initiatives to help your business not get lost.

Presented by: Lauren Sobaski, Partner

- **Breach Point: Protecting Employee and Company Data in a Risky World**

Learn practical strategies for safeguarding sensitive information, responding to data breaches, and complying with privacy laws in an era of increasing cyber threats.

Presented by: Laura Brown, Partner
