# COVERAGE, COORDINATION AND ECONOMICS: THE FIRST 24 HOURS THAT DECIDE THE CYBER EVENT CLAIM

Event

Dec 10, 2025

1:00 pm - 2:00 pm EST

The first 24 hours following a cyber event decides coverage, spend, and schedule. This fast, carrier-safe webinar shows insureds, brokers, and counsel how to avoid late notice, prevent voluntary payment issues, and stop scope creep before it starts. Gwenn Cujdik, AXA XL's Incident Response and Cyber Services Lead for North America joins us to explain what claims adjusters need to set reserves fast, keep budgets disciplined and approved on the first pass.
