Event

Dec 17, 2025

3:00 pm - 3:45 pm EST

The H-1B visa program just changed – and the ripple effects will be felt across the MedTech industry. Join Fisher Phillips for a fast-paced, interactive 45-minute panel where we break down what these developments mean for your business. Our insiders will cut through the noise, share practical steps, and give you the inside track on what's coming next.

- **The Immigration Shift:** We'll explain the new \$100K fee, the wage-selection threshold, and other rule changes – what they mean in practice, and where the pitfalls lie.
- **The MedTech Impact:** We'll also zero in on how these changes uniquely affect MedTech employers, including alternative visa strategies and real-world compliance tips.
- **The D.C. Forecast:** We'll also include a sneak peek into what we expect to happen in 2026 and beyond.
