Event

Jan 22, 2026

1:00 pm - 2:00 pm EST

If you could attend just one webinar in all of 2026, this is the one! Join FP Chairman and Managing Partner John Polson for a high-level, interactive conversation on what's coming next for employers and how you can prepare for it all.

In this fast-paced session, we will:

- Cut through the noise of 2025's legal and regulatory developments
- Explain what actually matters for today's workplace
- Deliver a practical, forward-looking blueprint to help your organization deal with uncertainty and stay ahead in 2026

This complimentary program is designed for decision-makers – C-suite, board members, corporate counsel, business leaders, and HR execs – who want more than headlines. You'll get candid insights, strategic perspective, and clear takeaways you put to use right away. Registration is complimentary, but space is limited. Reserve your spot now and start the new year with a plan!
