What to expect in 2026?

As the calendar flips to 2026, operators can expect a lot of developments in mine safety. With new leadership at MSHA and changes to the Review Commission, 2026 is shaping up to be an impactful year. In this episode, [Chris](#) and [Arthur](#) give an overview of the key issues they'll be tracking in 2026 and offer their thoughts on what changes the regulated community may see.
