"Who gets the tips—and how much?" For restaurants and hotels, the answer to that question can be the difference between a thriving workforce and a costly legal dispute. With federal and state regulations constantly evolving, managing tip pools requires precision. Join us for an in-depth session. We will explore the legal "dos and don'ts" of tip credits, the eligibility of managers and supervisors, and how to structure tip pools that boost employee morale while remaining fully compliant. Ensure your business is protected from the common pitfalls of hospitality pay practices.

The firm is submitting this webinar for HRCI/SHRM credit.
