In addition to the “Top Firm” recognition, four Fisher Phillips partners were recognized individually as “Top Authors” in the following categories:

- Collin Cook - Construction
- Usama Kahf – Data Privacy
- Daniel Pepper – Cybersecurity
- Dave Walton – Artificial Intelligence

The *JD Supra Readers' Choice Awards* recognize top authors and firms whose articles were read by C-suite executives, in-house counsel, media, and other professionals across the JD Supra platform. For this year’s *Readers' Choice Awards*, the content aggregator closely reviewed its reader data, identifying topics for their timeliness as well as their proven, ongoing importance.

JD Supra regularly publishes Fisher Phillips’ insights as part of the firm’s robust content program designed to keep employers informed about the latest trends, regulatory developments, compliance strategies, and emerging issues across the full spectrum of labor and employment law. Recognizing that corporate counsel and in-house legal teams are inundated with information, the

firm's thought leadership goes beyond reporting on what has happened to provide clear, practical guidance on what employers should do next. By pairing timely analysis with actionable recommendations, the firm equips clients and the public with forward-looking insights that support confident, strategic decision-making.
