Event

Jan 14, 2026

1:00 pm - 1:30 pm EST

We're switching things up for our first AI Forum of 2026 – we want to hear from you! And a \$250 Amazon gift card awaits one lucky audience member...

We know things are moving fast. Whether you're building an AI governance program, drafting workplace policies, assessing AI risk, training your workforce, navigating bias concerns, or handling vendor due diligence, your needs have probably shifted a lot from the start of 2025. And if we're going to best serve our clients, we need to stay up to speed in 2026. So in this edition of our AI Forum, our AI team leaders will not only describe the modern state of AI services and answer your questions, they'll walk you through a short survey so we can understand how employers are feeling these days. We promise the survey will be concise, painless, and comes with the potential of winning a \$250 Amazon gift card!

Your voice will help shape the future of the AI support we deliver – register today!
