## IMMIGRATION PARTNER DISCUSSES H-1B LOTTERY COMPLIANCE RISKS

News

Feb 9, 2026

In an interview with *Lexology Pro*, **Jinyoung “Julia” Lee** discusses how employers can mitigate risks associated with the new H-1B lottery system. Julia warns against adjusting worker salary or position classifications “that cannot be justified by true job factors or that are not consistent with other similarly situated workers.” And she also warns against submitting multiple registrations for the same beneficiary as it can actually reduce the beneficiary’s chances of selection.
