CALIFORNIA LEGISLATIVE PREVIEW 2026

Event

Mar 13, 2026

12:00 pm - 1:00 pm PDT

The 2026 legislative session in California is now fully underway! February 20 was the deadline to introduce new bills and nearly 1,800 legislative proposals were introduced. We now have a sense of what the hot labor and employment issues will be in 2026 – including artificial intelligence, workplace surveillance, new leave requirements, employment discrimination (including menopause and conviction history), and a higher minimum wage for agricultural employees. This webinar will cover all of the key legislative issues for 2026, will let you know what's coming, and help you plan ahead!
