WAGE AND HOUR IN THE CONSTRUCTION INDUSTRY: LAYING THE RIGHT FOUNDATION

Event

Apr 7, 2026

3:00 pm - 4:00 pm EDT

Navigating wage and hour requirements in the construction industry can be complex, from employee classification and overtime to prevailing wage obligations on public works projects. With evolving federal, state, and local regulations and increasing enforcement and litigation, construction employers face significant compliance challenges.

Join the Fisher Phillips Construction Team for this informative session as we discuss key wage and hour considerations impacting the construction industry, including prevailing wage requirements and recordkeeping obligations. We will share practical insights to help employers evaluate their pay practices, strengthen compliance efforts, and reduce risk in a changing regulatory landscape.
