FP POLICY PULSE

Event

Apr 10, 2026

3:00 pm - 4:00 pm EDT

Policy and regulations are constantly evolving, and staying ahead of compliance changes requires knowing what's happening as it unfolds. To help keep you informed on the latest developments impacting your business, Fisher Phillips' Government Relations Practice Group (GRPG) continues its FP Policy Pulse series, a free monthly webinar providing timely labor and employment policy updates from DC and across the country.

Each month, the GRPG delivers insights spanning all three branches of government, featuring direct updates from practice group leaders on key topics such as wage and hour, workplace safety, immigration, artificial intelligence, and more. This month, we're pleased to welcome David Walton as a special guest to discuss AI developments and share insights from his recent congressional testimony.
