# CHAIRMAN DISCUSSES FIRM RESPONSE TO HEIGHTENED IMMIGRATION ENFORCEMENT

News  
Mar 24, 2026

In an interview with *The American Lawyer*, **John Polson** explains how the firm has experienced increased demand across all practice areas particularly in the firm's Immigration practice since January 2025. As a part of the firm's immediate response to client needs, he highlights the firm's 24-hour hotline where attorneys are available around the clock for clients' immigration questions and "situations," such as federal Immigration and Customs Enforcement raids on workplaces.
