# NAVIGATING HOUSEHOLD STAFF: LEGAL, TAX, AND HR GUIDANCE FOR FAMILIES

Event

May 18, 2026

10:00 am - 11:00 am CDT

Employing household staff—whether nannies, caregivers, personal assistants, estate managers, or other domestic workers—comes with a complex web of legal, tax, and human resources responsibilities that many families are unprepared to navigate. Misclassifying workers, failing to comply with wage and hour laws, or mishandling employee benefits can expose families to significant liability and financial penalties.

Join us for an essential conversation as leading experts in employment law, tax planning, and HR solutions come together to demystify the challenges of being a household employer. This collaborative webinar brings together Fisher Phillips, Withum, and Critical Path Solutions—trusted advisors who work extensively with high-net-worth individuals, artists, entertainers, and families managing household staff.

Whether you currently employ household workers, are considering hiring domestic staff, or advise clients who do, this session will provide actionable insights to ensure legal compliance, minimize liability, and create positive employment relationships.
