# FEDERAL CONTRACTORS ON ALERT: NAVIGATING THE NEW EXECUTIVE ORDER TARGETING DEI PROGRAMS

Event

Apr 8, 2026

3:00 pm - 3:30 pm EDT

A sweeping new executive order issued on March 26, 2026, is poised to significantly reshape compliance obligations for federal contractors and subcontractors. The order targets diversity, equity, and inclusion (DEI) practices and introduces new contractual requirements, enforcement mechanisms, and oversight authority that could directly impact your organization's eligibility for federal work.

Join us for a timely and practical discussion of what this executive order means for your business. We will break down the key provisions, including restrictions on DEI-related activities, new reporting and record-access requirements, and the expanded authority of federal agencies to enforce compliance through contract termination or suspension for failure to comply.

Our team will also provide insight into how this order fits within the broader regulatory landscape and what steps federal contractor employers should consider now to assess risk, review existing policies, and prepare for potential scrutiny.

We hope you can join us for this important discussion.
