JOHN POLSON, EVAN SHENKMAN, AND DAVID WALTON AUTHOR CHATGPT PLAINTIFF ALERT FOR PEO INSIDER

News
May 5, 2026

In a bylined article published by PEO Insider, Fisher Phillips Chairman and Managing Partner **John Polson**, Chief Knowledge & Innovation Officer **Evan Shenkman**, and AI Chair **David Walton** examined how AI tools like ChatGPT are transforming employment litigation and creating outsized exposure for PEOs. The authors reported that pro se employment lawsuit filings increased 49% last year from roughly 4,100 to 6,400 cases nationally, while attorney-led filings grew only 15%, with AI identified as a primary driver of the surge.
