PARTNERS QUOTED FOR INSIGHT ON AI VENDOR HIPAA COMPLIANCE

News

Jun 25, 2026

In a *McKnight's Senior Living* article detailing the HIPAA compliance risks of AI vendor tools in healthcare settings, Fisher Phillips partners **Daniel Pepper** and **Hannah Sweiss** were quoted for their [insight](#), which warns that a "HIPAA compliant" label on a product "carries no government endorsement, and many of these products cannot meet HIPAA's privacy and security standards. If your AI vendor is non-compliant, it creates potential legal exposure for your organization".
