WHEN OSHA KNOCKS: WHAT RETAIL EMPLOYERS NEED TO KNOW BEFORE, DURING, AND AFTER AN INSPECTION

Event

Aug 13, 2026

3:00 pm - 4:00 pm EDT

An OSHA inspector can walk into your retail location or distribution center at any time, and how you respond matters. Understanding the citation process, your rights, and the long-term consequences of the decisions you make during and after an inspection is critical for retail employers.

Join Fisher Phillips partner Travis Vance as he covers three key areas:

1. How OSHA citations are classified and what penalties are at stake
2. What to expect during an inspection and how to protect your rights
3. How citation and settlement decisions can create future repeat and willful violation exposure

Attendees will leave with a practical framework for preparing their locations, responding effectively when OSHA arrives, and reducing long-term liability.
