PARTNER DISCUSSES WORKPLACE MARIJUANA TESTING TRENDS IN THE WALL STREET JOURNAL

News

Jul 10, 2026

In a *Wall Street Journal* article detailing the rise in positive marijuana tests among U.S. workers and the growing reluctance of employers to act on them, **Todd Logsdon** was quoted on the recruiting pressures driving policy shifts, saying "I've had other employers tell me, 'If I test for that, I'm not gonna have any applicants'".
