KARL KUMLI DISCUSSES WILDFIRE EMPLOYMENT PRACTICES RISK

News

Aug 13, 2026

In an interview with *Risk & Insurance*, **Karl Kumli** discusses the growing employment practices risk wildfires pose for employers nationwide. Karl noted that “employers are having to start thinking about this in a way they may not have historically. It’s been an issue in the West and in Florida certain times of the year, but it’s not something employers in New York or DC tend to think about.”
