WAGE AND HOUR WEDNESDAYS: CALCULATING THE REGULAR RATE OF PAY

Event

Oct 14, 2026

12:00 pm - 1:00 pm EDT

Getting the regular rate of pay right is essential for employers. Miscalculations can lead to significant liability, including back pay, liquidated damages, penalties, and costly audits. Join wage and hour attorneys Lindsay Reimer and Olivia Beale for an in-depth webinar exploring the fundamentals and latest developments in calculating the regular rate of pay under the FLSA and state laws, and what this means for your organization. In-house counsel, payroll and HR professionals will gain an understanding of how to properly identify which payments must be included in the regular rate and how to manage compliance risk and compensation practices in today's regulatory environment.
