We hope you enjoyed the session, ***Managing Hostile Work Environment Claims in Today's Political Climate: How to Defend and Defeat Harassment Claims at Trial***. As heightened political and social tensions create new challenges in the workplace, the resources below provide practical guidance for evaluating allegations, developing a strong defense strategy, and preparing to defend harassment claims at trial.

These resources are for educational purposes and is not legal advice. Applicable federal, state and local law, court rules and organizational obligations vary. Consult counsel for the specific matter.
