PROPOSED FEDERAL SCHOOL CHOICE REGULATIONS: WHAT PRIVATE SCHOOLS NEED TO KNOW

Event

Oct 8, 2026

1:00 pm - 2:00 pm EDT

On October 1, the Treasury Department released proposed regulations for the “Big Beautiful Bill’s” federal tax-credit scholarship program, which, starting January 1, 2027, could expand private-school assistance for families in participating states. The rules clarify the roles of states and Scholarship Granting Organizations but leave some questions unanswered.

The proposal isn’t final; written comments and a public hearing are coming later this year. But with the credit taking effect January 1, schools and SGOs have a short runway to prepare. Join us for a plain-language breakdown of what the rules say, what they don’t, and steps you can take now to get ready.

The firm is submitting this webinar for HRCI/SHRM credit.
