WAGE AND HOUR WEDNESDAYS: WHEN MINUTES BECOME MILLIONS: CLASS/COLLECTIVE ACTION EXPOSURE

Event

Nov 11, 2026

12:00 pm - 1:00 pm EST

Wage and hour requirements are complex and common timekeeping practices can evolve into high-stakes class and collective action exposure. This webinar will examine routine sources of unpaid-time exposure, emerging litigation trends, and the operational practices that can turn an individual pay dispute into a broader class/collective claim. We will explore how employers can identify and address recurring problems before litigation arises, and discuss key considerations when a class or collective action is threatened or filed. Designed for in-house counsel, compliance and HR professionals, this program will provide insight to help you identify manage processes to mitigate risks.
