AI, DATA AND ANALYTICS CHAIR EXPLAINS LEGAL LIABILITY OF AGENTIC AI IN WORKPLACE MISCONDUCT REPORTING

News
Oct 27, 2026

In an article published by *HR Brew*, **Dave Walton** discussed the legal liability risks companies face when using agentic AI to handle workplace misconduct reports. "Once that misconduct is reported to the agent, I think the courts are going to assume that's notice to the whole company," he said.
