News
Nov 12, 2026

Fisher Phillips is pleased to announce that 16 attorneys in its Mexico City office have been recognized in the 18th edition of The Best Lawyers in Mexico™ and Ones to Watch™ in Mexico. The list sees 13 attorneys added from last year's count—a testament to the growth of Fisher Phillips Mexico over the last year.

In total, 15 Fisher Phillips attorneys were recognized in The Best Lawyers in Mexico™ and one was named to Ones to Watch™ across Labor and Employment Law, Energy Law, and Project Finance and Development practices.

This year's recognition reflects the continued growth and depth of Fisher Phillips' Mexico platform. Since opening its Mexico offices in 2023, the firm has expanded its labor and employment capabilities across the country; most recently, Partner Jaime Rodríguez Eguiarte and a nine-attorney team joined the firm in Mexico City. Fisher Phillips now has 37 attorneys in Mexico and is among the largest labor and employment firms in the country by headcount.

"We are proud to see so many of our colleagues recognized in this year's Best Lawyers rankings," said Germán de la Garza De Vecchi, Regional Managing Partner of Fisher Phillips in Mexico. "The growth of our team has strengthened the practical, sophisticated counsel we provide to employers navigating an increasingly complex workplace environment in Mexico. These recognitions reflect the caliber of our people and the trust our clients place in us."
