My colleague [John Polson](#) and I co-wrote an article for our firm's On The Front Lines newsletter about the recent Uber settlement, entitled "[Uber-Expensive Settlement Could Be Uber-Important To Employers](#)." The article provides some tips for gig employers, and general employers, about how to manage their workforces in light of the recent \$100 Million settlement pending before the court. [Give it a read](#), and no need to give me a tip.
