DOCKS RESOURCE PAGE

Workplace disputes can disrupt operations, strain employee relationships, and create significant legal and financial exposure. Fisher Phillips helps employers manage these challenges at every stage—from preventing a dispute to resolving it efficiently or defending your organization in court.

How We Can Help

DAY-TO-DAY COMPLIANCE

- Handbooks and Policies
- Training
- Advice and Audits

WORKPLACE SAFETY

Preventing accidents and responding to crises requires skillfulness and speed. We help employers comply with safety regulations by assessing risk and advising on strategy. We respond to inspections and incidents, defend against citations, develop safety programs and manage catastrophes – protecting employees and operations.

- Safety Program Development, Inspections & Audits
- OSHA, MSHA and Incident Response
- Regulatory Compliance and Litigation Defense

CRIMINAL INVESTIGATIONS AND WHITE-COLLAR DEFENSE

When your business or leadership faces high-stakes criminal investigations, enforcement actions, or related litigation, you need immediate, trusted counsel. We navigate complex legal challenges efficiently, allowing you to focus on daily business operations while we handle anticipating issues, investigating, and preventing additional problems. We take being boots-on-the-ground seriously, getting to the source of the situation quickly to get our arms around the facts – and defend appropriately.
