

Loyalty & Trade Secrets Beyond Borders: New Challenges for the Multinational Employer

Event

9.14.11

Chris Stief gave a presentation entitled "Loyalty & Trade Secrets Beyond Borders: New Challenges for the Multinational Employer," on September 14, 2015.

The presentation highlighted the issues to consider when moving employees around the world with respect to restrictive covenants and trade secrets. Chris provided insight into how these concerns are treated differently under a number of jurisdictions. The discussion addressed concerns related to non-competition and keeping confidential information confidential. Special challenges employers face in Brazil, China, Mexico and India were raised and addressed during the program. Some common themes recurring in many jurisdictions will be highlighted in the program.
