

Electronic Record Keeping and Social Networking Event – Charlotte, NC – October 12

Event

10.12.11

Is your HR Organization really ready for the Digital Age?

Do you hear the knock at the door? It could be the government asking to review your records, a plaintiff's lawyer asking you to write his/her client a check, or a current employee asking questions for which you do not have answers. Fisher Phillips Charlotte attorneys Mason Alexander and Kevin Dalton were featured presenters at this complimentary program for human resource professionals, business owners, executives, and key managers.

The following topics were covered:

- Creating and Keeping Employment Law Records in Today's Fast-Paced Environment - How to Keep Your Sanity and Stay in Compliance
- The Attack of Social Media in the Workplace - Embrace It, Don't Fight It
- Document Management - An Enabler for Improving HR Efficiency and Effectiveness

Seminar Date and Location:

- October 12 - Ballantyne Resort, 1000 Ballantyne Commons Pkwy., Charlotte, NC
