EMPLOYMENT ARRANGEMENTS: STRIKING THE RIGHT BALANCE - ATLANTA, GA

Event
May 14, 2013

Fisher Phillips and BDO USA, LLP jointly present an update on best practices for executive and professional employment arrangements.

At this complimentary, CPE-qualified seminar you will learn:

- What to consider in developing company policy on employment agreements;
- What employment practices are changing, and how those changing practices affect our employment agreements;
- What employment issues are 'hot buttons' with shareholders and investors;
- What legal considerations should be addressed in developing employment arrangements; and
- What are the best ways to protect your business from competition by former executives and professionals.
