

Dissecting the New I-9 Form - Compliance Tips, Self-Audits, and Dos and Don'ts to Avoid Trouble - Free Webinar

Event

8.15.13

Kim Thompson, chair of the Global Immigration Practice Group at Fisher Phillips, presented a webinar to review the new I-9 Employment Eligibility Verification Form.

Immigration and Customs Enforcement (ICE) is becoming more aggressive with audits and fines.

The step-by-step guide discussed common errors and tips for ensuring compliance, showed you how to conduct a self-audit and correct errors, and provided examples of how to handle common temporary work authorization documentation.
