Complex Harassment Investigations: From Innuendo to Bullying to He Said/She Said Complaints

Thursday, October 17, 2013

Every employer will need to conduct a workplace investigation at some point, and an effective investigation can make the difference between a litigation-free resolution and a painstakingly long lawsuit. Investigations are rarely simple, and in this presentation we will go beyond supervisor harassment training and provide solutions to those challenges that commonly arise during investigations and provide tips for investigations that will keep you out of litigation.
