

Workplace Safety Wednesdays - Monitoring MSHA Updates - (11/13/13)

Event

11.13.13

This webinar was originally presented on November 13, 2013.

Fisher Phillips attorney Matthew Korn and guest speaker Karen Hilliard, VP of Operations for Business Safety Services presented the second edition of the Workplace Safety Wednesdays webinar series. This free webinar series provided the latest updates on the Mine Safety and Health Administration's (MSHA) regulatory agenda, reviewed recent decisions of the Federal Mine Safety and Health Review Commission, and provided useful insights to keep you up to speed on all things MSHA.

During the November webinar, Matthew and Karen discussed contractor liability, including tips regarding contractor compliance with MSHA regulatory requirements. Matthew and Karen also focused on reducing operator liability for contractor citations and creating a contractor compliance program for your Company. Whether you are an operator or a contractor, you won't want to miss this opportunity to learn more about contractor compliance.

The webinar also included a period of Q&A, where Matthew and Karen answered questions about contractor compliance, or MSHA enforcement generally. This free webinar is a great tool for busy mining industry professionals and health and safety managers to stay ahead of the curve.
