

The Interminable Interactive Process - Fisher Phillips Breakfast Briefing - San Diego, CA

Event

11.21.13

Accommodating leave and administering the interactive process and disability accommodations can be burdensome and feel like a full-time job, but the law does have limits. This program will discuss the bright line rules and the gray areas of disability-related laws and provide guidance on when the company has satisfied its duties. The program will include a discussion of common problems employers and managers face, including at what point an employee's leave becomes an undue hardship and when an employer may safely end the interactive process or consider terminating disabled employees.

Plan to join us for upcoming Breakfast Briefings, January 16, February 20 and March 20.
