SKELETONS IN THE CLOSET: RISKS AND GUIDANCE FOR MANAGING CLAIMS

Webinar

Event
Jan 10, 2014

This webinar was originally presented on January 10, 2014.

Fisher Phillips attorney Suzanne Bogdan and guest speaker Barbara Hodges presented a webinar entitled *Skeletons in the Closet: Risks and Guidance for Managing Claims*.

During the webinar, Suzanne and Barbara discussed administrators who hear rumors or who receive a report of ancient sexual abuse from a former student have complex and delicate decisions to make.

The webinar helped attendees understand the overlapping issues and make insightful and confident decisions as they manage this difficult process.

Participants were informed about the duty to investigate rumors, the obligation to notify other possible victims, and to decide when to involve law enforcement and other agencies.

Suzanne and Barbara shared tips on how to manage the difficult PR and relationship issues that arise if a lawsuit is filed or a victim 'goes public'.
