

Performance Management, Discipline and Discharge

WEBINAR

Event

2.05.14

Tracy L. Moon, Jr., presented a webinar entitled "Performance Management, Discipline and Discharge," on February 5, 2014.

Tracy covered the processes that helps a company to obtain the very best performance from every employee.

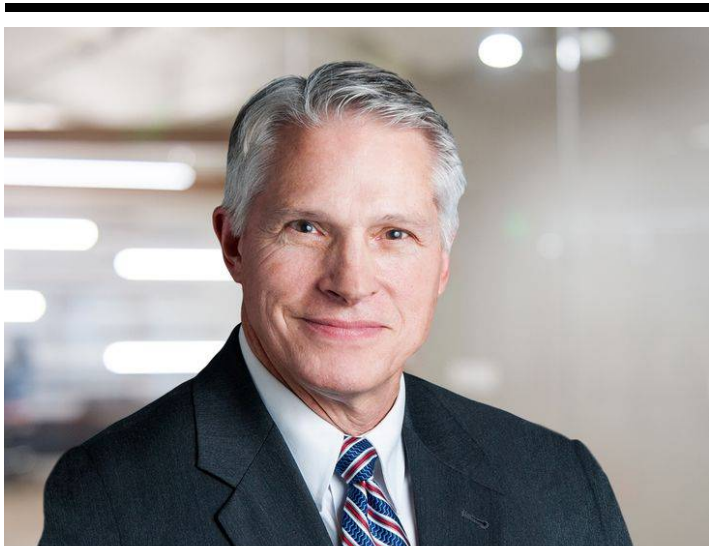

- The first process: Evaluating and improving the job performance of employees.
- The second process: The discipline and discharge of employees.

Tracy discussed the best practices that enable employers to successfully navigate through the legal minefield that is present in today's business environment as it relates to disciplining and discharging employees.
