

Workplace Safety Wednesdays – Monitoring MSHA Updates

WEBINAR

Event

3.19.14

Matthew Korn presented the March edition of the Workplace Safety Wednesday webinar series on March 19, 2014.

Matthew discussed the importance of safety to keeping your Company or facility union free.

He explained various tactics used by unions during corporate campaigns to put pressure on Companies, including using safety problems to publicly embarrass Companies. Matthew provided some helpful tips to Companies regarding how to remain union free by improving your Company's safety culture, establishing safety committees that don't violate the NLRA, and other useful strategies.
