Webinar

Event
Mar 20, 2014

Cheryl Behymer and George Reeves presented a webinar entitled "Implementing the new OFCCP regulations: Timelines and Checklists," on March 20, 2014.

With OFCCP's phased-in compliance for the new disability and veterans regulations, contractors are struggling to identify how and when to implement the various requirements for the new regulations effective March 24, 2014.

Cheryl and George presented a checklist to structure how best to approach these requirements consistent with your already existing AAPs.
